

Atrapa tu Sueno es una historia real de inspiracion personal que explora los inconvenientes y las soluciones que se presentan al empezar un sueno. A traves de este increíble viaje el lector vivira el riesgo, la sensacion de libertad, la pasion, el dolor de una muerte, el nacimiento de un hijo, la frustracion, la vida y el exito. Y, seguramente, al llegar a destino no querra bajarse, pero lo tendra que hacer como lo hicieron Herman y Candelaria al llegar a Alaska. Y descendera emocionado hasta las lagrimas y saltara junto con ellos festejando el saber que los suenos son posibles si algun dia se empiezan.
