

You're about to discover how to...? Why Many people wonder why the messages they try to get across never seem to get through, or why they can't seem to interpret those around them. A lot of problems with being understood and understanding others can be traced back to not knowing enough about body language. Although we typically assume that humans communicate mostly using speech, body language is the most important factor in communication Here Is A Preview Of What Youll Learn... The History and BackgroundHow can we Use this Knowledge?Factors that Affect InterpretationTranslating Body Language
