

Applied and approachable! With Miller and Hess's community policing text, you'll learn the basics of today's policing environment, while focusing on the essential elements of success: problem solving, community/police collaboration, and partnerships. The exciting Ideas in Practice feature, which spotlights innovative community policing initiatives from around the country, shows you where people's hope and determination have created a path toward a better life—and might even prompt you to think of new things you can do to serve your community and make a difference.
