

Do you desire to unleash the potential in your kids? Do you want them to stand on your shoulders and soar to unfathomable heights? In *The Difference a Father Makes*, Ed Tandy McGlasson challenges dads to excel in fatherhood and equips them to do so. Using the model of Jesus and God the Father, he contends that setting up goal lines in the lives of children, marking when they enter into adulthood, is a must - and a father's job does not end there. In a powerful way, he answers the "Yeah, but how?" question every man asks after being stirred to be a good father. Discover the potential you have as a father to make a difference in the lives of your children! Learn how you can empower your children to pursue their dreams!
