

With heart-wrenching honesty, Donald's Story chronicles the last days and years of one family's drama through the hell which is Alzheimer's dementia. This story will make you cry, make you laugh, and make you think. It's a must read for anyone who will ever get old - particularly for anyone who may one day be a caregiver, an AD patient, or a supportive family member of the same. The suffering wreaked from terminal dementia is a saga which is becoming all too familiar. As the 6th leading cause of death in the U.S., Alzheimer's™s and related dementing illnesses are epidemic. How do you survive this disease which robs you of your very self? How do you survive watching someone you love slip away? Complete with AD Survival Tips, Donald's Story is not just a memoir. It is also a planning tool and a survival guide for dementia families, providing a roadmap through the tangled darkness. Still, despite the subject matter, this memoir is not wholly dark. How could it be when it is first and foremost a love story? Loving deeply and forever may render us vulnerable to pain, but therein lies the meaning of life. When all is said and done, Donald's Story is most purely a reminder of just how precious life is.

Ein ganz gewöhnlicher Jude (Rotbuch) (German Edition), Surveying Theory and Practice, Thomas Jefferson and the Declaration of Independence: The Writing and Editing of the Document That Marked the Birth of the United States of America, Little Journeys to the Homes of the Great Vol 6 Eminent Artists, Embodied Cognition (New Problems of Philosophy), Journal Of a Regimental Officer During The Recent Campaign In Portugal And Spain Under Lord Viscount Wellington., The Golden Dog, In Common Cause,
