

In America we have lost our understanding of money and taxation. We daily watch our dollars inflate, and a bloated government spends far faster than it can collect, though taxation has run amok as well. We have closed off our thinking from Godly biblical ideas about money, taxation and government, and so we drift from bad ideas to worse ideas seeking something, anything that will pull our nation out of its economic tailspin. There are answers. The Bible is not silent on these issues. The book Money & Taxes is an introduction to biblical thinking in these areas. It is not hopeless. There is a better way if we will live it.
