

Fitting Paul Klees extraordinary oeuvre into book form is certainly a complex endeavor--Klees diverse body of work is always opening itself up to new interpretations, and has escaped classification under the aegis of any particular style, group, or movement. This monograph achieves this feat by offering Klee in all his uniqueness, never attempting to subject the artist and his work to one interpretation. Here we see Klees organically developed and open-ended art, which sought inspiration everywhere and in turn inspired so many in all areas of the arts. Fairytale lyricism and grotesque satire, tender jesting and very real horror, profound mysticism and sober romanticism all coexist in Klees images. These works radiate a variety and creative energy that is rarely seen in such profusion. Paul Klee: Life and Work presents a comprehensive selection of paintings and other images, documented in nearly 500 color and black-and-white images, alongside essays that explore the artists life and offer surprising insights into his work.

The Book of Giant Stories, Pocket Cash, What PC? Guide to Your PC 1999: UK Edition, GROUP LEAD TRAIN/SUPER MANUAL 3ED, Pilates (the Authentic Way), Neosentience: The Benevolence Engine, Womens Entrepreneurship in Iran: Role Models of Growth-Oriented Iranian Women Entrepreneurs, Mechanische Herz-Kreislauf-Unterstützung (German Edition), Making EU Foreign Policy: National Preferences, European Norms and Common Policies (Palgrave Studies in International Relations),
