

Queer Voices from Japan examines the wide range of queer voices in Japan, and the longevity that these minority communities have enjoyed in society. Mark McLelland, Katsuhiko Suganuma, and James Welker bring together historical and contemporary narratives that contribute to the study of sexual identities in Japan. These essays trace the evolution of queer voices in Japan with analyses of the presence of homosexuality in the Japanese Imperial Army, the development of Japans first gay bars, and same-sex experiences in the pre- and post-war periods. This book offers a variety of perspectives including a range of male-to-female and female-to-male transgender voices and experiences. The broad scope of this volume makes it an invaluable text for understanding the development of Japanese sex and gender categories in the twentieth century. Queer Voices from Japan is a compelling read that will appeal to those interested in Asian studies and human sexuality.

Flag of the Southern Cross, Zoras Cry, Auto Mechanic (High Interest Books: Great Jobs), Physical Therapy Case Files: Acute Care, Credit Card Nation, Peripheral Neuropathy Causes and Treatments: Conditions of Nerve Pain and Dysfunction, British Folktales, The Oxford Minireference Thesaurus,
