

The Social Psychology of Gender, Race, and Ethnicity by Kelli Keough and Julio Garcia presents a range of useful readings dealing with issues of race, gender, and ethnicity in one text, drawing on commonalities between the three topics, instead of treating these topics independently. This Workbook is written in response to a growing need for a joint examination of the social psychology of gender, race, and ethnicity. While the articles and projects in this Workbook can serve as the main text for a course, they can also serve as a source of materials for instructors to use as a basis for further exploration in courses on introductory psychology, cultural psychology, developmental psychology, and womens studies
