

Limited Edition Signed and numbered by Joseph Michael Linsner - 1st printing. By Joseph Michael Linsner. Few names in the art world today stir the passions of fans like that of Joseph Michael Linsner. A maverick phenomenon, Linsner has been painting visions of fantastic worlds and beautiful women since 1989. He stormed the world with his personal tribute to the Goddess, Dawn. Collected here for the first time is the body of work that Joseph himself is proudest of. This much-anticipated volume boasts some of Linsners very best work, including covers and over a dozen previously unseen and unpublished paintings. Scores of rare production sketches and color roughs will be highlighted, as well as a special how to section in which Linsner gives a sneak peek at the production of one of his dazzling Dawn paintings from start to finish. More than simply pinup art, Linsners work illuminates a complex mythology, rife with its own symbolism and language. Ever wanted to go to Heaven, Hell and beyond? Linsners art will take you there.
