

Sahara Taylor has never obeyed the rules. She hopes that a move to a remote mountain valley will help her forget the relationship she has ruined and temper her lustful soul. Far away from prying eyes, Sahara can practice her witchcraft and reconnect with the invisible forces that govern her life. But Fate has other plans. A well-worn path leading from Sahara's cabin into the Aspen Wood brings a rugged lover who falls willingly into Sahara's web of mystery and indulges her in the erotically submissive role she likes to play. Their passions reveal a desire for an unconventional relationship and before long Sahara is longing once more for the touch of a woman. Love is only a whisper away, when Sahara is undone by talking in her sleep. A secret from a lifetime in medieval England threatens to destroy Sahara's every intention to be faithful to her new found loves. In this tale of wicked sex, sorcery and innocence lost, one woman must choose between her past and her present, find courage to live authentically and resist the charms of an alchemist whose love for her has survived six hundred years.

In finance, a dark pool (also black pool) is a private forum for trading securities, derivatives, and other financial instruments. Liquidity on these markets is called. Securities and Exchange Commission members unanimously approved rules Wednesday that force trading venues known as dark pools to. Dark pools have grown to be a major part of the global equity markets, and they've become a real competitor and alternative to traditional stock exchanges. Sahara Taylor has never obeyed the rules. She hopes that a move to a remote mountain valley will help her forget the relationship she has ruined and temper.

The effective regulation of "dark pools", which are private forums for trading securities, is necessary to secure efficient trade execution, and to ensure transparent. To most people Dark Pools are a mystery. Heck, most people don't even know what they are. In a nutshell it's Wall Street slang for private. Rules designed to wrest more of Europe's share trading on to public exchanges from dark pools were due to come into effect on Friday.
