

This is the first book of the Grandchildrens series from Creation evangelist, teacher & author Dr. Kent Hovind! And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers, lest I come and smite the earth with a curse. Malachi 4:6 The last verse in the Old Testament talks of turning the hearts of the fathers to the children. If there was ever a time in world history where children desperately need the leadership godly fathers and grandfathers can provide, this is it! As the world slides into the last days, chaos, people of all ages need to focus on what is REALLY important! Too many have been distracted for too long on things that are of no eternal value. I pray that as you join us in this imaginary lo-o-o-o-o-ong trip your hearts will be blessed and challenged to serve God. In this three book series the 5 Hovind grand-kids ages 5-9 join me in a trip from Pensacola, Florida to NW Colorado to dig up some dinosaur bones for the creation museum. Along the way, they all help others, witness for the Lord, win souls and see lots of AMAZING things! Book one, The Long Trip, takes us from Pensacola to the SE border of Colorado. Watch the grand-kids as they grow in their ability to see the needs of others and in their confidence to witness for the Lord. Book 2, The Colorado Adventures, sees the kids win souls to Christ and see lots of amazing things all over the state of Colorado. Watch them use facts from creation and the flood to share their faith. Book 3 covers the lo-o-o-o-o-ong trip home where they continue to learn and grow in Christ while seeing many new parts of this great land we live in. If this series of three books helps you grow closer to the Lord and become more soul conscious I will rejoice! Please tell others about it. If you have not seen the award winning video series on creation, evolution and dinosaurs be sure to check them out on www.drdino.com. Now come along with the Hovinds on the Lo-o-o-o-o-ong Trip as they learn what is truly the most fun thing to do in the entire world! 2012? Kent Hovind
