

If you have been leading God's people for any length of time, you know how difficult--sometimes even impossible--it can be. Why is Christian leadership so hard to get right? Could it be that the church, which was meant to reflect the heart of God, has instead taken the role of leader? Could we simply be making things harder than they need to be? In *The Tail That Wags the Dog*, veteran pastor Max Myers takes those questions straight to the Bible to demonstrate where and why traditional leadership models fall short. In the process he discovers another way to do ministry God's way.
